## **Our Mission and Philosophy**

Sonshine's mission is to work together with families, providing a high quality, individualized, Christian education that prepares students physically, spiritually, and emotionally to impact their world for Christ!

We believe that students learn best when they are involved in authentic, experiential learning that exposes them to real world problems.

## **Sonshine Middle School:**

**Is Nationally accredited through Cognia**

**Provides a high quality, individualized Christian education**

**Has small class sizes**

Sonshine does not discriminate on the basis of race, sex, national origin, or disabilities

### **CURRICULUM & EDUCATIONAL OPPORTUNITIES**

Along with daily bible class and standards based reading, writing, and math, students will also engage in science and social studies which are integrated into their Project Based Learning Units. Music, P.E., and Art will be also be offered.

Students will attend Outdoor School yearly, experience a Washington D.C. trip, and visit different businesses and educational sites that relate to the themes they are studying.

### **PROJECT BASED LEARNING**

Each year Sonshine middle school students engage in six Project Based Learning Units of study. Units last for approximately six weeks, allowing students to delve deeply into the topic, beyond the scope of the traditional classroom. Project Based Learning provides students with 21st century skills and real world learning opportunities.
